"Wire immediately Dwarakas whereabouts"

Thus commencement of sending a wire to Vimal Kulkarni an above address after I telephoned Dr. Vaidya about Dwarka's last news and addressed the letter on 16th but still found our anxiety.

At night decided to go down Station in order to deliver a packet of papers along with my letter to Vaidya which I could through one of the Express Train staff or Passenger going towards Poona. Mr. Chauhan was with me. The letter was sent.

Decided to write to Dr. Vaidya about our early journey. I said within that something is wrong somewhere. We must find it out. We must locate our own mistake and try to rectify it.

Spent one hour with Muthuradas at the Walkeshwar Tank at night.

JULY, 1957.

Friday 19 Hubli

Had been to S. Karnatak office to meet Mohan and Divakar. Was sorry to see Mohan lying in bed with a fractured bone of the right side. Though it is two months now it has not possible for him to sit as it really without clothes. Too bad! A promising worker like him had to be down in bed. What a mental torture? It must be terrible to stay in bed. Accidents are dangerous especially after 60 years of age — Divakar was not there in the office so, I decided to return without seeing him.

Had been twice to the hospital. It pained me to see that the nurses were not using the stainless steel plates for their meals. The reason for this is sheer laziness and ignorance. They don't want to use these plates because they find it very difficult to clean them. Nothing can be done as they have no time to clean. Wonderful indeed! In the evening, at the time of the prayer I had a talk with the teachers that the plates would be sent back to Mangalore and that they should use their own plates henceforward. If necessary they should purchase plates at their own cost. We don't mind paying them.

Hubli

Saturday 20

I went to child welfare Association meeting held at the Women's Hospital, Hubli this day at 4.30 P.M. In some old days I wanted to get a picture like this here I made an attempt. It seems that the welfare activities in India (at present) are mostly self supporting. Do they not want this organisation? Do they not like to carry on this kind of work? The Government of Mysore seems to be in action in this respect for the present. Perhaps policies and policies differ between government and government and therefore (when there is no association may not get the help one may ask for But I think in the near future the work that is done by the association may be taken up by the Government itself

1. ज्यांनी तिच्या कल्याणासाठी इतका खटाटोप केला त्यांच्यावर विश्वास न ठेवता - अनोळखी अशा परकीय माणसांवर विश्वास ठेवला. ज्याच्यासाठी तत्कालीन ७०-८० रुपये व [illegible] शेकडो आपेक्षा काही फिक्या पडतात.
2. ज्यांनी तिच्यावर विश्वास ठेवला त्यांना ओळखता येणे गरजेचे आहे.
3.

:थोडी कथा:-

असहाय स्थितीतून शक्य तितक्या अबलांना मदत करावी हे आपली ही शाळा सुरू केली.
चांगल्या उदाहरण - जे हळदीच्या कार्यात मिळणे कठीण झाले आहे - ते थोड्या तरी विद्यार्थिनींना यावे यासाठी व्यवस्था करीत गेलो.

3. त्याचा फायदा या मुलींनी शैक्षणिक आर्थिकदृष्ट्या आनंद झाला की चांगल्या मुली मिळाल्या. पण:-
आर्थिकदृष्ट्या, वडील, आजोबांनी, व आपली सर्व - ज्या विद्यालयांनी, आईने, नवऱ्याने तिची उणीव व्हावी म्हणून वारंवार हाणे - त्रास करीत होणे - खर्च करीत होणे या सर्वांपेक्षा एक अनोळखी माणूस तिला जवळचा वाटू लागला — वरीलपैकी कुणाच्याही सहवासाचा विचारच ती आल्याक्षणी मनातून वाटू लागतो — व परिणामः आविचार व अधःपतन.
त्याच्यामुळे तिला काय मिळाले असेल? काही पैसे, अपप्रचाराचा व्यापारी असल्यामुळे काही कपडे - व अर्थहीन गोड शब्द.
तो स्वतः [illegible] असेल, मुले असतील, व्यापारी - देशोदेशी जाणारा - व या कृत्या करून बेजबाबदार असणार.
→ या कृत्याने पारंपरिक काय उरले? - गरीब आईवडिलांचे दुःखाने कुढत गेले. त्यांचा Support मुळे राहिले त्या मागच्या मोठ्या मुलीचा दुःखी दीर्घायु ७००-८०० रुपयांच्या नवऱ्याकडे देणे करावा लागले. तिच्या आयुष्याला

कोणतीही शिरोकाच कालावधी शिकेल - सरकार च पैसा, आपले श्रम, मनुष्य स्वरूपाचे शिक्षण घेतले एका स्कॉलरला पुरस्कार -

पुढे उमेदी विचार करा कारणांची

~~कुटुंब लोकांचे कारण~~ गरीबदर असणे, एकेका एका कारणाला आपण सर्वसंच घेतले मग - आधुनिक पद्धतीने विचार करता आहोत ~~कुटुंब~~ वाढवि वारणार नाही. पण शाळा शिक्षणाची शिक्षण ठेवली नाही - २ वर्षे एका छोट्या खाली राहण्याचे विचार व आचार शाळेने दाखवले नाही - व जे हातांत घेतले तें पूर्ण करण्या आधीच दुसरी कडे लक्ष धातले या चुका फार झाल्या आहेत.

या एकाच कारणाने नंदे तर प्रत्येक कारणाने प्रत्येक आचरण कारणांना वरील विचार उपयोगी प्रत्येकाने करावा या साठी पुढाम हे लिहीत आहे.

दुसरे उदाहरण द्यायचे: ~~केवळ~~ जे शिक्षण पुरवायला - जे शिक्षण घेण्यासाठी शिक्षणाची स्वरूपाची करायला लागतात ते केवळ २ वर्षांचे राहणे - १० वर्षे शिक्षण राहिले तरी न राहणाचे शिक्षण - ~~जास्त करता केवळ~~ आपल्या ८०-८० वर्षे आयुष्याची केवळ दोनच वर्षे खर्च करून त्याचा फायदा संबंध आयुष्य भर पुरायची संधी शिक्षणाने असताना - ही दोन वर्षेसुद्धा शिक्षणाने सुद्धा योग्यतेने आणायची.

२ वर्षांचे २५ रुपये = १०x२५ = २५० रुपये - १० वर्षे शिक्षण राहिले - २५ रुपये = २५०० रुपये - २५ रुपये = २५०० रुपये - २५ रुपये = २५०० रुपये

Bombay & Delhi

Left Bombay at 8.30 A.m. Mechado had come with us to the Santa Cruz Aerodrome. Vimal, Nalini Mr. China and Mrs. China—all had come to see Aerodrome and the new building there.
Reached Delhi at 11.15 A.M. The Plane which carried us is called "Viscount". It flies at an altitude about 17 to 18 Thousand feet and moves at the rate about 300 miles an hour. It brought us to Delhi from Bombay within 2 hours and 45 minutes. The passengers don't feel the weight and even the run is very smooth running. The plane is pressurised.

Attended the party meeting. Had a Talk with Dr. Mehta and Raj Kumari ji.

Attended श्री रा.ए.ट्र. film at night for a few minutes and left for Ghatāprabha at night by the Express. The Actor Subba Naidu and Actress Lakshmi had come to Hubli at the inaugural time of श्री रा.ए.ट्र. After Subba Naidu spoke I addressed a few words to the audience and left the theatre. I had to do this because of the admiration that I have for Sardar Rangaswamy.

Wrote to 4 page letter to Yamu about my feeling towards the girls who were now working in K.H.I. a Skilled person. I felt that those whom I had taken as my own had begun to remain aloof from me. I wanted Yamu to let me know the reasons for doing this.

Arrived at 4·20 A.M. Even at that time both the Doctors, Vimal and Indu had come to the station. "Why did You come to the Station at that hour" was my question to Vimal. "Why not, Didn't You want us to come"? I kept silent.

~~I~~ I scolded Vimal this evening. She was hurt and therefore she left. Dr. Vaidya and Vatsala, both were there. "I did a thing, because some body else did it" she said. I asked her not to learn that kind of lesson. I told her that I would not like to hear it again from her. I felt sad for having scolded that loyal girl; but I had to do it in order to teach her to stand upon her own feet and not to depend upon the actions of others.

Yadwad is 29 miles from Ghataprabha. While going Yadwad from Ghataprabha, I am told that about 2 small bridges including Ghataprabha river have to be crossed. The people of this big village say that during rainy season their village becomes an island and it is unapproachable to the outside world. It seems to be true. Then the question arises — "Why have not the people tried to get rid of this condition" "Why have they tolerated" the answer to this question is simple. "There is no initiation in them; the people seem to be very lazy" In fact I told them so in a public meeting held in the market this noon.

It was a surprise to hear from the Sarpanch that Social Welfare organisation whose Centre was in Yadwad had not kept its promise of helping the Village medically. He said that the workers of the Centre had deceived them. That was too bad indeed! Villagers had evidently lost hope in the Social welfare organisation which was now working in that Village.

"Reaching Sunday noon Inform Bhimrao also Shakuntala Dada Narayan"

Had been to Tararani Vidyalay with V.T. Patil. Stayed about an hour there seeing the building and garden. Then did go to Shri Tawade's residence. Mr. Tawade is an educationist. He retired as one of the highest officers of the Bombay Education department. It was in 1919 that I met Mr. Tawade first in New York. He had come to 1400 Broadway to get information from us. After that I did not meet him for many years. When he was appointed as Inspector of the Educational Institutions in the Southern area of the Province of Bombay I came again in contact with him. He is now connected with the Rajaram Vidyapeeth and Tararani Education Society at Kolhapur.

In the afternoon we — Gangutai, myself, Sudha Satish and V.T. Patil went to Panhala. Panhala is a historic place. Famous as a fort of Shivaji. Shivaji had to escape from this fort and go to Vishalgad in the neighbourhood. Sambhaji was imprisoned here by his father as he wanted to end his association with Kalavatin.

Spent sometime at V.T.S residence. Heard music of the ~~music~~ musicians of the Tara Rani High School Had ~~dinner~~ my lunch with V.T. Patil, Tande and others. I did go to see the "Bal Bhawan" which is run by the Tara Rani High School. It is indeed very well equipped and kept upto date. The teacher who explained to me the working of the Bal Bhawan was found to be an expert in her subject. I was indeed glad to have seen the Bhawan.

We again went to ~~Jyotiba~~ temple today. We had also been to Pathy's house for a cup of tea after visiting Shri Pusalkar's Bungalow. — Pusalkar is a new addition to my acquaintances.

Ghatapratha

JUNE, 1958—Wednesday 18

जून ता. १८ बुधवार, आषाढ शु. १ शके १८८०

Mrs. Meerabai Badkar, a Radio Artist, came to Ghatapratha today with Dr. Mahishi for getting herself treated at the hands of Dr. Vaidya. She being an artist we requested her to give us a performance at night. She promised provided she got all the accompanyists. We arranged to get them from Gokak through Dr. B.R. Kulkarni. We had telephoned to B.R. to get the necessary instruments and keep the artist ready to be sent to Ghatapratha. The charge of getting these artists etc. was given to Shri N.M. Deshpande, the Canteen manager. He was to reach Gokak at 8 P.M and come to Ghatapratha soon. But due to pressure from Mahishi, Deshpande committed a mistake of yielding to the request of Dr. Mahishi, which created confusion in the arrangements made for the programme. Deshpande did not leave the Hospital premises until 9. P.M. He must have reached Gokak at 9.30 P.M. By that time B.R. must have got angry and the artist who had assembled at B.R.'s went away to their homes disappointed. Moreover

Had been to Belgaum with Ganpatlal, Valanda, her three children, Dr. Vaidya, Deshpande and Mahadeshya. We all went to Belgaum to see the mass production of Idli and dosha for daily breakfast. The idea was to give hot idlies daily to the patients and others who take their food in the canteen.

Today heard about the behaviour of one of the Staff towards one of the nurses. I had to take the girl aside and speak to her about the way she should conduct herself in this world. She had to say much about the man. Any way I had to guard the interest of both and therefore I had to speak to the girl. She felt. She shed tears and said that she had absolutely nothing in her mind. She was innocent. She was very clean in her mind. She treated the man like her own brother.

Mr. Raichur of the Police department was here. He came yesterday and left this noon. He discussed the whole affair of the theft and asked us keep watch continuously in the R-H.I. area. The Sub-Inspector of Lokal had evolved a plan of keeping close watch over the entire precinct of the R.H.I. and demands four watchmen with batons every night.

Then we went to the Deccan Pharmacy and had a talk with Dr. Asha Rani Desai about the Social Welfare Board's work, about Remand Home, about Red Cross and other organisations with which she is connected. In the afternoon Gangutai, Bapu, Radhabai, Mantri, Rani's daughter and myself left for Miraj. At Dr. Karandikar's residence we took tea and met Damu annaBhat, Dr. Kokatnur and Shri M.R. Kulkarni of the Ajit Laboratory. After the tea we went to Venabai's Math for the lecture. I spoke on "the greatness of Tilak". The lecture was organised under the auspices of the Hindu Mahasabha of Miraj. I made my position quite clear to the audience and said that I am through thick and thin a Congress man & none can convert me to his view. At 8 P.M We got out of the meeting place and then went to the Station to send Mantri to Mahapratha

Sangli Miraj Narsobawadi

Had go to the Ganapati temple this morning. Then went to the Miraj Station to give a send off to Krishna. After Krishna left for Mahabaleshwar we returned to Sangli and went straight to Narsobawadi. En route we met Bandopant Hardikar. We promised to meet him at his residence while returning to Sangli. At Narsobawadi I remembered my meeting the great soul of तात्या वासुदेवशास्त्री सरदेसाई in 1910. I had gone to Narsobawadi in that year with my aunt Akka and my cousin brother Bhanauna. He was sick.

Left Sangli for Kirloskarwadi at 8.40 in the morning with Shanghai, Mathu Bharade, Suvarna Sharad & Ravi drove his car. Enroute to Kirloskarwadi from Sangli we found 33 brooks small and large and one river — कृष्णा. Road was bad. It took nearly two hours to reach Kirloskarwadi and nearly two hours and a half to return. In one of the brooks there was much water. Car got stuck up for a while water entered the car. We had to push it out of the running brook water and get the car dried. It took about 20 minutes for this. The car had to come slow on account of bad road and the brooks. At one place a boy of about 4 years got frightened and while crossing the road in front of the car fell down. Thanks to Ravi, who was driving the car, he used his break & saved himself and saved the boy also. Otherwise, the boy would have been crushed. He had absolutely no wound or even bruises on his body. His mother took him. We blessed the boy and after taking permission of those assembled and also of the mother we left on our journey.

At Kirloskarwadi we went to Shankerrao. Had our lunch with him. Visited the Balvikas mandir and took a round in the city and left after tea for Sangli at 4.50 P.M. Reached at 7.15 P.M.

Received letters from Bhatkhandha stating that Dr. Vaidya was not well and was suffering from Renal colic again. On Saturday night (9th night & 10½ morning) he got the first attack. He never told any one about the attack. Next morning Dr. Balankhe and others in the Hospital came to know about it. Luckily Dr. Sripadrao Vaidya and Shri Bhimrao B. Potdar were there. Shripadrao did attend to him. The inmates of the Society — Yamu, Dwaraka, Nanda, Kith Dr. Balankhe etc also Shripadrao told me about the sufferings of Dr. Vaidya. It came to me as a shock. I did send a word to Dr. Khisty to come and meet me. As he did not come even upto 8.30 A.M. I went to his house and made enquiries about the Renal colic attack of Dr. Vaidya. Then we went to Amritkar's house for telephoning to Bhatkhandha. spoke to Shripadrao. He told me that Dr. Vaidya was better and that again Ex Ray will be taken. I wanted to know whether by Tuesday was necessary. Shripadrao said "no". At night about 9.45 I spoke to Shripadrao Vaidya, Yamu, Vimal and Biju. Dr. Vaidya was feeling better. Raghavendrao Rao (Jahagirdar of Hyderabad) had taken Rupees three hundred from me on 5.5.58.
Thanks to the man who of his own accord brought the amount and without my asking gave it back to me.
Here is a contrast:
Mr. Surendra Ram of Utaramond a member of the Rajya Sabha took four hundred Rupees from me on ; But he had not even the courtesy of giving the money without asking I had to ask him four times before I got only 200/- rupees (half the amount) from him. For the remaining half I had to write to him without any reply. Again I had to write to him for returning the amount. I hope he will.
There is another ~~example~~ example. That of Mr. Shamacharya Hangal of Hubli who didn't even think of saying a word about the amount.

Fine man indeed! Shri Karmarkar had spoken to me about him. I requested him to come to Agra and spend some time with me. He gave me full information about the work he was doing through his Bureau. He has promised to give all posters and pamphlets he has published so far. I have spoken to him about Nayamani also.

Karmarkar had a talk about our application for funds for a thoracic ~~unit~~ surgery unit. "Our need is more for training rather than material now" I told him. He said he will attend to it this time.

She was taken to Dhupdal where Dr. Vaidya had gone and was introduced to him and to the others who were working with him at that time. She saw the Village in company with Vimal, Dwarka, Opaima and Shamalabai who happened to be in Shantaprabha on that day. I too had gone there with Sripadrao Vaidya with Miss Korah. She was taken round the Sanitorium and the Hospital by Opaima and Vimal; also Dwarka and Shanta

Miss Korah was taken to the Gokak Falls by the girls. On this day arrived Dy. minister for development and Planning — Mr. Ranga Reddy. He too was taken round the Hospital premises. He was there for about an hour. The Collector Mr. Ramchandran also had come to address the Institute to the Dy. minister.

Miss Korah left today by mail for Delhi via Bombay. We had all gone to the station to give her a send off.

S.N. Subba Rao arrived here today. I never dreamt that he would come like this. His was the first time to the Village. He saw the Institute. At night he gave his songs at the Class room of Nurses. All liked his songs
